

What's in Philips Park?

A Kelly and Billy story

This is the Visitor Centre.

Let's walk right across the park.

I wonder what this is?
I can see a number.

Let's go for a swing.

Floppy, you'll have to stay outside.

This is fun!

Wheee!

I like climbing!

Are you tired of waiting for us
Floppy?

That's a quiet garden, better not
take Floppy in there.

We'll bring some bread next time.

I like playing football.

You hide, I'll count to 20.

Ready or not, here I come!

Caught you!

Let's have a rest.

Look, this is bark..... and this is a slice of a tree.

Is that a bat box?

Look, there are plants growing in here.

I wonder what they'll grow into?

Let's run through the arch.

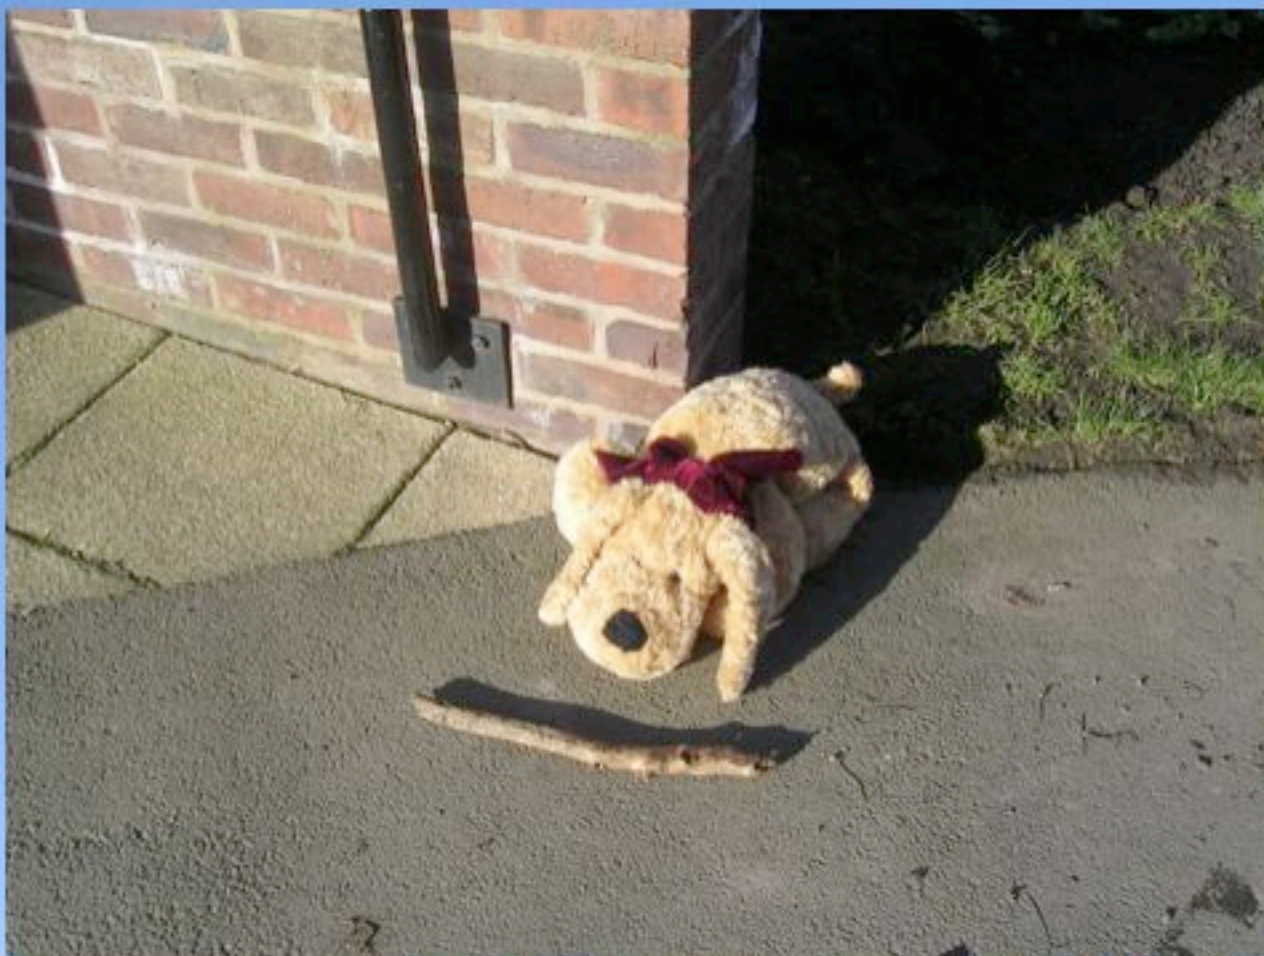

The sign is pointing the way home.

Hold the ball Billy, we're coming to
the road.

Come on Floppy its time to go home. We'll come back tomorrow.

The End
