- To find out more about Clayton Vale, contact the Medlock Valley Project Officer on 0161 220 1000
For all other information visit www.medlockvalley.org.uk

Welcome
Clayton Vale Local Nature Reserve is located in the heart of the Medlock Valley in east Manchester. The Vale covers approximately four square miles of urban countryside that you are free to roam and enjoy at your own pace.

History

Clayton Vale is managed and cared for by a variety of people, including volunteers and paid workers. The Friends of Clayton Vale volunteer time and energy to help look after the area (visit www.friendsofclaytonvale.org.uk). The Medlock Valley Project looks on improvements to the Medlock Valley and Manchester City Council’s Leisure Department is responsible for all of the city’s parks and open spaces. The park wardens liaise with the community and organise events with schools and local groups.
